ABOUT BRUGES

2020 will be the 8th year that this prestigious festival of junior football takes place in one of Northern Europe's most historic cities, Bruges.

Often referred to as 'the Venice of the North', Bruges is steeped in history, with most of its medieval architecture still intact, the historic centre has been a UNESCO World Heritage Site since the turn of the millennium.

The most famous landmark, the 13th century belfry houses 48 bells and free concerts are given on a regular basis.

Picturesque cobbled lanes and dreamy canals link photogenic market squares lined with soaring towers, historic churches and old whitewashed almshouses. And there's plenty of it. There's a special charm in spring when daffodils carpet the tranquil courtyard of the historic begijnhof retreat.

Every visitor will be seduced by the almost perfect ensemble of canals, churches and cobbled streets. Not to mention the undeniably moreish chips, chocolate and local beers.
